

STEWARDSHIP TEAM QUARTERLY MEETING OBJECTIVES
(May 12th draft)

FEBRUARY:

Discuss and identify priority plan implementation strategies for the year and the steps necessary to implement the identified strategies.

MAY:

Discuss and approve actions necessary to advocate on behalf of the identified priority strategies, such as communicating and working with the appropriate City and community stakeholders to ensure the identified steps are taken to advance implementation of the strategies. Take any other needed actions within the purview of the Stewardship Team to advance and coordinate plan implementation and to recognize the progress made in plan implementation.

SEPTEMBER:

Same objectives as described for May.

NOVEMBER

Hold elections of officers to serve during the next year; and hold elections to fill positions of members whose terms have ended. Update the plan's implementation status, and re-rank implementation strategies. Prepare a "State of the Islands' Vision" report for distribution to the community.
